

Cyber Medical Imaging, Inc. dba XDR Radiology

Core Competencies

Since its inception, the cornerstone of XDR Radiology has specifically been the development and manufacture of state-of-the-art digital **dental sensors** and **imaging software** - built by dentists for dentists. We pride ourselves on **resolving 98% of all support calls within one business day**.

Past Performance (Government)	Company Data
USAF, Lakenheath RAF 18+2 sensors #SPE2D425F232N/SPE2D425F232M	UEI #: QL7HSF1Q2HA7
Tinker AFB, OK 10 sensors #SPE2D421F29Z8	CAGE #: 60WD7
Madigan Army Center, WA 1 sensor #SPE2D421F11W1	NAICS: 339114, 339112, 423450
Luke AFB, AZ 11 sensors #SPE2D421F580T	Small Business & Manufacturer
Nellis Federal Hospital, NV 2 sensors #SPE2D421F049D	DLA ECAT Contract #SPE2DH-23-D-0008
	US Air Force Dental Research & Consultation Service approved
	Accepts credit cards
